

ASCE Southern Colorado Branch 2015 Fall PE Review Course Registration Form

Date: Tuesdays and Thursdays (starting August 13 through October 15)
Time: 5:30 – 8:30 p.m.
Location: RMG – Rocky Mountain Group
2910 Austin Bluffs Pkwy, Suite 100
Colorado Springs, CO 80918
Cost: \$300 Non ASCE Member
\$200 ASCE Member¹

Name	Firm	ASCE Member Number	Contact Phone or Email

The ASCE Southern Colorado Branch invites you to participate in our PE Review Course. The course is a review course, not a teaching course. The review course will provide practice problems in several subjects, and provides a post-test. The course modules can be reviewed as often as needed and the post-test can be taken as many times as needed too. Course Topics are: Economics, Geotechnical Engineering; Hydraulics & Hydrology; Sanitary and Environmental Engineering; Structures; Surveying; and Transportation. We will also have hard copies of review problems for Construction Management. The review course will be offered twice a week, at the office of TBD. However, because the course is online as well, if you miss a course, you will have access to the material online, to review at your own pace.

Note:

1. To receive the \$200 ASCE Member price, membership must be current and all dues up to date.

Make all checks payable to: ASCE Southern Colorado Branch

Return the Registration Form with payment NO LATER THAN August 13, 2015 to:

**Tamara Leffler
CP&Y, Inc.
1155 Kelly Johnson Blvd., Suite 111
Colorado Springs, CO 80920**
